To Whom It May Concern:

It is with tremendous pride that I write this letter of recommendation for Camden Smith and DREAMFly Marketing.

Camden is very dependable and hard-working. She is always punctual and well-prepared for all of our meetings, which made her stand out from other professionals I hire. Since May 15th, 2011 her professionalism and attention to detail made a great impression on me and everyone at Kelly Roofing. Camden impressed me greatly from her very first project.

DREAMFly Marketing's professional knowledge in achieving publicity for my company has exceeded my expectations as the team required very little direction to follow through on projects. Camden, the owner, paid great attention to detail on all aspects of the company's affairs and she always received excellent feedback from customers and colleagues on presentation, care, professionalism and delivery.

Camden is well liked and immediately became a major partner in Kelly Roofing's future. As an integral part of our success there is no doubt that Camden is a major reason Kelly Roofing is ranked as one of the TOP 100 Roofing Contractors in America. (Roofing Contractor Magazine 2003-current)

With her commitment to the profession, experience and the training she has received, I feel that she will do an exceptional job for your company as well. I know Camden will be a great asset to your organization and I give her my highest recommendation. My contact information is below. Please feel free to contact me for any additional insights.

Sincerely,
